*****National Fire Academy (NFA) UPDATE*****

Recently The National Fire Academy changed a few things concerning NFA training conducted in state or locally. Effective immediately along with the applications the instructors are required to turn in a roster with the student's name, email, and a letter grade; as well as, turn in a coversheet for each course.

Please mail or deliver student applications, class graded roster and NFA course cover sheets to: **Wade Walling, IDHS NFA Training Program Manager 302 West Washington Street Room W-246 Indianapolis, IN 46204.** Once Wade receives the applications packet he will sign the applications and submit them to National Fire Academy.

Please ensure each application has the Student's FEMA SID number and not the state PSID number. Failure to provide student FEMA SID numbers will result in student not receiving credit for the course. If the student does not have a FEMA SID number please have them log on to the following website and register for a SID:
<https://cdp.dhs.gov/FEMASID>

*****National EMS Safety Council*****

Guide for Developing an EMS Agency Safety Program: A roadmap for EMS agencies to develop and implement a comprehensive workplace safety program, customizable to their agency type, size, and needs.
<http://www.naemt.org/docs/default-source/ems-health-and-safety-documents/nemssc/ems-safety-program-guide-10-11-17.pdf>

*****International Fire Chiefs Association*****

MIH Handbook: This handbook provides information and resources for fire chiefs who are considering adding a mobile integrated healthcare (MIH) program to their department. This handbook provides information on MIH programs as well as discusses how to decide when it is appropriate to implement an MIH program.
